FOREWORD

Establishing a Growth Mindset - the critical element in challenging times

In this 1-hour activity based online workshop, people are actively engaged in learning a powerful combination of self-management techniques (develop and maintain a growth mindset) and workplace techniques to contribute to a positive mindset in their team.

This is a great foundation for developing teams that are more collaborative, take a curious (there must be a way) approach to challenges and work together to develop innovative solutions in a constructive and supportive way.

Highly recommended for teams and organisations that are needing to adapt and grow, and want to do so with a positive approach that finds solutions and moves forward together.

The combination of activities in this course provides a unique and powerful blend of self-management and workplace application.

This course is designed to provide you with the most targeted, effective and convenient learning experience by letting you join a short, sharp and collaborative session facilitated online with a master trainer and other participants from Oceania.

In this session you will:

- Learn how to build and contribute to an upbeat culture in your team
- Develop techniques to develop and maintain your own positive mindset
- Learn from other people facing similar challenges

This course is in English and facilitated by an Australian expert trainer with over 10 years experience.
