Body Language
Training

COURSE LENGTH: 1.0 DAYS

Body language is a powerful form of non-verbal communication in Hong Kong, and through it you convey a range of emotions and reactions to others. While verbal and written communication will vary from country to country and region to region, human body language can be quite universal. Hence, learning how to make accurate interpretations of other's body language helps you build better relationships, especially in cross-cultural situations. Enroll in a Body Language training course from PD Training today to become a more effective and complete communicator.

This course will help you effectively understand the different forms of body language and their meanings. Learn about posturing, handshakes, eye movements, mirroring, differences amongst genders and much more. Having the ability to correctly interpret body language is a talent that can be mastered through practice and effort.

This Body Language training course from PD Training is now available in Hong Kong!

BODY LANGUAGE TRAINING COURSE OUTLINE

FOREWORD

The ability to interpret body language is a skill that will enhance anyone's career in Hong Kong. Body language is a form of communication, and it needs to be practiced like any other form of communication. Whether in sales or management, it is essential to understand the body language of others and exactly what your own body is communicating.

Having the ability to "read" a person's body language increases your understanding of what someone else is thinking and feeling via this form of non-verbal communication.
