1.0 DAY COURSE

Conflict is a normal and inevitable element in any working relationship. Conflict happens due to differences in opinions and can arise whenever individuals have conflicting ideas, principles, values or desires. Learning how to manage conflict is necessary for an organization. When conflict is mishandled, it can have a negative impact on relationships, moral, teamwork and can lead to decrease productivity. But when managed in a professional, constructive way, conflict brings an opportunity to improve the link between individuals.

By attending this Conflict Resolution training course from PD Training, you will learn how to stabilize your professional relationships. The course presents techniques to identify the source of conflict and to manage and resolve conflict quickly and with professionalism.
