Effective Time
Management Using
Outlook Training

COURSE LENGTH: 1.0 DAYS

Time management is a crucial factor in achieving your short, medium and long-term goals. Managing time is not difficult if you use the right tools. This one-day training course is developed to educate you on the proper use of Microsoft Outlook as an effective tool in managing your time. This course will teach you how to use the Calendar, Notes, Journal, One-Note and Outlook Task List options, work with email messages, manage electronic files, send task requests and more.

After attending this Effective Time Management Using Outlook 2013 training workshop, you will achieve better control over your day, prioritize and schedule tasks, learn to allot time to each task, achieve balance, manage interruptions and accomplish your daily goals.

Now available throughout Hong Kong, this Effective Time Management Using Outlook 2013 training course can be delivered with our expert local or international trainers at your chosen venue and schedule.
