COURSE LENGTH: 0.5 DAYS

Positive and negative feedback must be given at the right time and place using the appropriate tools and techniques. Feedback, if provided properly, encourages the receiver to improve performance, reduce errors, develop positivity and increase loyalty to the organisation.

The PD Training Giving Constructive Feedback Training Course provides valuable knowledge and skill development which will allow you to give feedback that boosts the performance and attitude of your employees.

This is a practical class that is suitable for all audiences and provides people with the tools that they can apply on-the-job (and in other contexts) the very next day.

This is an instructor-led class that you can attend from home or your office.

The virtual classroom uses an advanced version of Zoom called 'Zoom for Webinars' that includes enhanced collaboration features such as One-click content sharing, real-time co-annotation (people can work together in activity files), and digital whiteboarding, and we use tools such as live polls, private group chats and participants can 'raise their hand' so you virtually have the same collaborative classroom based learning experience.

These courses are facilitated in English and are open to people from different industries across Australia, New Zealand, Singapore, Malaysia and Hong Kong - this is a short but powerful learning experience that gives you global collaboration opportunities.

**Please note, these classes run to a very tight schedule, please follow the invitation and join the class 10-minutes prior to commencement so you are ready to participate and don't miss a minute!
