

## MICROSOFT OFFICE 365 TRAINING PART 2 - ONLINE INSTRUCTOR-LED TRAINING

Generate a [group quote](#) today

**COURSE LENGTH: 1.0 DAYS**

This Office 365 Part 2 course is intended to help Office 365 users understand how to complete more advanced tasks using its various apps and services. Topics will include file storage and collaboration with OneDrive and SharePoint, using cloud-exclusive tools such as Delve and Planner, and managing users and security within Office 365.

Microsoft Office 365 Training Course Part 2 are available now in the United States, Australia, New Zealand, Singapore, Hong Kong, Malaysia.

We use secure Video Conferencing with interactive features such as live polling, screen sharing, whiteboards, live chat and breakout sessions. Please discuss your preferred platform, most commonly we use Microsoft Teams, Skype for Business, Webex or Zoom upon request.

These courses are facilitated in English, and are open to people from different industries - this is a short but powerful learning experience that gives you global collaboration opportunities. Our trainers and processes have been refined to give you a personalised learning experience.

**\*\*Please note, these classes run to a very tight schedule, please follow the invitation and join the class 10-minutes prior to commencement so you are ready to participate and don't miss a minute!**
