[REQUEST QUOTE](#)

1.0 DAY COURSE

The Masterful Facilitation Skills course is comprised of several key modules taken from various other PD Training courses, including Train the Trainer, Facilitation Skills and Leadership Development.

Participants will gain experience in preparation, understanding the various types of facilitation, the three pillars of learning, adult learning types and learning preferences.

Key skills include planning and structuring the presentation, the introduction of various types of communication skills including para-verbal, body language, creating rapport and asking good questions.

This dynamic training course is available now throughout Hong Kong, including Central.

This Masterful Facilitation Skills Training can be delivered at your premises by one of our expert local or international trainers or live online using our HIVE technology.

Contact us today for a quote.

## What You'll Gain:

The Masterful Facilitation Skills course provides different strategies and techniques that will help participants to become a highly effective facilitator. During this course, participants will learn the fundamentals of facilitation, role and purpose of the facilitator, including the proper use of verbal and non-verbal communication and more.
