1.0 DAY COURSE

First and foremost, what are minutes? Minutes provide a summary of the structure of a meeting. To guarantee that the meetings performed maximizes the expense involved and are productive, three elements are compulsory: a declaration of closure, an effective facilitator and accurate minutes. In the end, if all individuals involved in the meeting cannot remember or come to an agreement on what essentially took place during the meeting, how will the team successfully carry out the objectives? Hence, the Minute-taker exists to accurately record the minutes of an informal or formal meeting.

To develop the abilities and skills of a Minute-taker, you should consider enrolling into a Minute-taking training course.
