1.0 DAY COURSE

Performance Management is not a company's way of employing "micro-managing" techniques that stunt the professional growth of its employees. But rather, it is a strategic approach to ensuring the efficiency and effectiveness of an organization. Whether at the organizational, departmental or employee level, the goal of performance management is to make sure all business goals are being met in a satisfactory manner.

This practical and engaging training course is available now throughout Hong Kong, including Central.

This Performance Management and Appraisals training course can be delivered at your premises by one of our expert local or international trainers or live online using our HIVE technology.
